

Note: In the Tender document for “The work of internal partition, finishing and work station in existing framed structure building, including electrical and tele communication works, for the purpose of office accommodation for Uttarakhand Metro Rail, Urban Infrastructure and Building Construction Corporation Ltd. at Dehradun, Uttarakhand”, one part of the schedule (schedule C) was not uploaded. Hence the revised updated Tender document, consisting of complete set of schedules, is now reloaded. The previously uploaded Tender document has been removed from the site.
